Resolved that the re-appropriations above proposed be approved and the sanction of Government applied for for the same.

IV. The Executive Engineer also applies for sanction to meet the undermentioned excesses over estimates :—

		Rs.
(*a*)	For the tunnels on Yellampalli-Chelur Road	440
(*b*)	For Goribidnur Musafarkhana	200
(*c*)	For Bowringpet do	408
(*d*)	For Narasapur well	245
(*e*)	For Rangadhamana Temple Road	350
		1,643

Resolved that the above excesses amounting to Rs. 1,643 be approved and met from the General Savings of the current year's Budget after obtaining the sanction of the Government for the same.

V. Read correspondence ending with this Office docket No. 2836—1855 of the 15th March 1893 to the address of the Senior Surgeon and Sanitary Commissioner with the Government of Mysore regarding the proposed supply of certain instruments for the use of the midwives employed in the District, the cost being met from the Districts and Municipal Funds in the usual proportions of ⅔ds and ⅓rd respectively.

Resolved that the necessary instruments be supplied and the proportional cost debitable to the District Funds met from the General Savings of the current year's Budget.

VI. Read Government Proceedings No. 14175-84—L. F. 377-92, dated the 22nd February 1893, laying down the procedure to be adopted when a Member of Municipal or Local Fund Board absents himself from 3 consecutive Meetings.

Resolved with reference to the above that whenever any Member is unable from unavoidable causes to attend a Meeting he may be required to intimate the same to the President in view to his explanation being placed before the Board and sent up to Government for information.

VII. Read the list of candidates for the Membership which has become vacant consequent on the death of Mr. Narayana Reddi of Gollavarhalli, Chikballapur Taluk.

Resolved that Mr. Baira Reddi of Konapalli, Chintamani Taluk, who has been unanimously elected for the vacancy, be recommended to Government for appointment in the place of the deceased member named above.

VIII. Read the Executive Engineer's estimate amounting to Rs. 5,000 and odd for metalling the bad portions of the Mulbagal-Goribidnur Road from mile 65 to mile 74.

Resolved that metalling be undertaken for portions absolutely requiring the same, the other portions being gravelled, thus reducing the cost to Rs. 3,000.

This Resolution is subject to future consideration (*Vide* Resolution No. II.)

IX. It has been brought to notice that the road leading from Chikballapur to Nandi is in a bad state and requires special repairs.

Resolved that in consideration of heavy traffic on the road a special repair grant of Rs. 450 be made from the General Savings of the current year's Budget.

6. Statement showing the Talukwar Estimates of receipts and expenditure for 1893-94, Enclosure E.

	Rs.	As.	P.
The probable balance at the credit of the Board on 1st July 1892 was ..	26,521	0	0
as per para 5 of Government Proceedings No. 11074-78—L. 1003, dated 9th January 1892, and the estimated receipts for 1892-93 was ..	81,896	0	0
Total Rs .	1,08,417	0	0
Deduct the estimated expenditure as per sanctioned Budget and modified grants	1,41,812	0	0
The opening balance on 1st July 1893 would be	33,395	0	0
Add estimated receipts for 1893-94	88,550	0	0
Total..	55,155	0	0
Thus the total assets available for expenditure for 1893-94 is	55,155	0	0

Provisions have been made for the following incomplete works of the previous year, and new original works proposed in the Enclosure B.

	Rs.	As.	P.
I. Original works to be executed by Public Works Department .	57,900	0	0
II. Repairs do do do ..	36,600	0	0
III. Establishment audited by the Examiner	15,000	0	0

Deducting the estimated expenditure of Rs. 1,27,282 from the total assets of Rs. 55,155, a probable minus balance of Rs. 72,127 will be left at the close of the year 1893-94.

Proposed by the Executive Engineer that the pay of the sweeper of the Ulavi Inspection Lodge paid in the proportion of $\frac{1}{3}$rd (Rs. 1—5—4) per mensem from Local Funds and $\frac{2}{3}$rd (Rs. 2—10—8) from the Imperial Funds, be entirely charged to the Local Funds.

Proposed by the Sagar Sub-Division Officer that the pay of the sweepers belonging to the Bungalows and Musafarkhanas noted below may be raised as follows :—

Sorab Bungalow sweeper from Rs. 4 to 5 per mensem.
Kallurkatte Bungalow from 4 to 5 per mensem.
Benavalli Bungalow from Rs. 4 to 5 per mensem.
Godekoppa Musafarkhana from 2 to 4.

Resolved that necessary provision be made in the Budget subject to the approval of Government.

A provision of Rs. 180—0—0 is made in the Budget for two midwives at Rs. 7½ per mensem being the moiety of their pay in addition to the 2 already sanctioned by Government in Proceedings No. 13383-5—L. F. 55-92, dated 3rd February 1893, as they are likely to pass this year, and have to be employed on their return.

Proposed by the Sagar Sub-Division Officer that a Local Fund Circle for the Sub-Division may be formed with its Head-quarters at Sagar.

The Executive Engineer seconded the proposition.

The Board thinks that it is very convenient that the Meetings of the Members residing in the Sub-Division should be held at its Head-quarters to consider the requirements of the three Taluks comprised thereof. There is now only a single Non-Official Member on the Board, who resides within the Sub-Division. A few more Non-Official Members will have to be appointed and the necessary point settled before a separate Circle is formed, especially the allotment of funds, with due consideration of the requirements not of the three Taluks in the Sub-Division, but also of the other five Taluks in the District comprising both Maidan and Malnad.

The question has to be fully considered if the Government are pleased to decide that a separate Circle for the Sub-Division should be formed.

ABDUL RAHMAN, K. B.,
Dy. Commissioner & President, L. F. Board.
